

a better outlook

BRUNDALL BAY MARINA

*Norfolk Broads - open sky, distant horizons,
placid lakes and slow flowing rivers.*

On the beautiful Norfolk Broads, the Marina is the largest and best equipped, with moorings for over 400 boats, in a relaxed and friendly atmosphere. Brundall Bay Marina is set in 50 acres of beautiful and peaceful parkland in an area of outstanding natural beauty with National Park status. There is an RSPB reserve beside the Marina, which is rich in wildlife.

Situated on the River Yare, the Marina is downstream from the historic cathedral city of Norwich, which has an impressive riverside development, good shopping and a wonderful selection of restaurants, bars and nightlife. The Marina is close to the national road network (off A47) and railway, with Norwich Airport providing domestic and continental flights.

The Broads offer 240Km of safe, tranquil and peaceful cruising and is justifiably one of Europe's most popular inland waterways, best appreciated afloat. Cruising on the Broads is a unique experience as gently flowing rivers meander through pretty and unspoilt countryside. The Marina is within easy reach of the River Bure and northern Norfolk Broads. Also within easy reach is the north Norfolk coastline with Great Yarmouth just three hours away: and from there, for the more adventurous, there is open sea and the near continent.

Boat Sales

Walton Marine specialise in the sale of new cruisers for coastal, river and canal cruising, with something available to suit most pockets.

Helpful Fact Sheets are available covering the most frequently asked questions about boating. Contact Walton Marine on 01603 716606.

Norfolk Yacht Agency specialise in the brokerage sale of used boats with a tremendous selection available on site. Contact Norfolk Yacht Agency on 01603 713434.

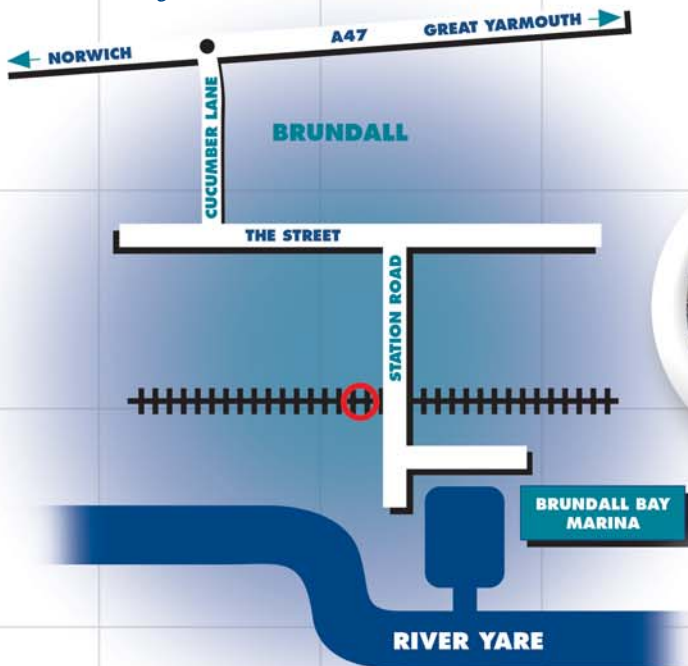

Marina Facilities

With a total of about 400 moorings for boats great and small, either on modern floating pontoons or bankside, there is a comprehensive range of facilities to make boating a pleasure. Lighting, power and water is available to moorers, as well as showers and toilets. Diesel is also available. Security is provided with CCTV and security barriers. With a superb undercover workshop and service centre, the maintenance team will quote for any work required. Boats can use the slipway, or for bigger loads there is a powerful 22ton capacity mobile hoist. This is especially useful for surveys or hull inspections as well as service and repairs. Hardstanding storage space is available during the winter.

Yacht Club

Brundall Motor Yacht Club has a superb clubhouse and bar for social gatherings with dedicated visitors moorings and a busy calendar of events and cruises.
